

THE DANBURY VOLKSWAGEN 12 SEATER

Built on the superb Volkswagen Transporter — one of the few commercial vehicles on the market which really drives like a car — The Danbury 12 Seater, offers all forward facing seats in vinyl with tweed cloth inset panels full length headlining, sliding window in passenger area, full headlining trim to the waist of the vehicle, then warm, but hardwearing matching carpet on the side panel trims, floor, and engine compartment.

For business or pleasure you can't beat Danbury's Volkswagens.
