

THE DANBURY LUXURY LOUNGER

HI-TOP ALSO AVAILABLE ON FAMILY ESTATE AND CORONET

The Danbury Luxury Lounger features a luxurious 'L' shaped settee which converts to a large double bed. Lush velvet curtains, and cocktail cabinet. The stainless steel 2 burner cooker with grill is situated in a slimline unit — by the sliding door so cooking can easily be managed from either inside or outside the vehicle — and folds away out of sight — when not in use. A neat RM122 Electrolux Fridge to chill your wine is located beneath the stainless steel sink/drain.
