

"OWNING A DANBURY IS A SOUND INVESTMENT"

So says Mr R C Whitting, manager of the National Westminster Bank, Chelmsford Branch.

Mr & Mrs Whitting have just taken delivery of their new four berth Danbury Coronet, and Mr Whitting is hoping to make good use of his Danbury, not only for camping holidays, but also for fishing and golfing, as well as day to day transport to the Bank.

Like Mr & Mrs Whitting — you too can buy direct from the factory.

Prices start from **£7925** on the road, all taxes paid.

Finance arranged and part exchanges welcome
